About Us

ICO is a market leader in manufacturing of world class Paint, construction waterproofing, heat proofing and cleaning chemicals. ICO is a well-equipped and well-experienced, ISO 9001:2008 certified company, involved expediently and successfully in the wide-range of Constructional Solutions. Our product WPC-99 has revolutionised the water proofing scenario in markets of central India and has become synonymous to water proofing to a large number of customer base. Through technology and innovation we enable our customers to meet their current and future needs. Our products and solutions contribute to better life style and maintenance free house keeping. The company has attained its current stature due to the continuous endeavour of our team to maintain customer relationship and product quality.

Vision & Mission Values

Our Mission

To be the prominent provider of superior construction material by consistently improving the quality of our product; to add value for clients through innovation, foresight and integrity.

Our Vision

Guided by our core operational values we aim to become a leader in the world of construction chemicals.

Our Values

Continuous improvement/Kaizen: ICD is committed to getting better every day in all it does, as individuals and as teams. By better understanding consumers' and customers' expectations and continuously working to innovate and improve products, services and processes.

Service & Stewardship: Service before self signifies the proper ordering of priorities. The welfare of the customer comes before us. While the focus is on service to our customers, the idea also incorporates the concept of stewardship, of holding something of value for others.

Accountability: We hold ourselves accountable for upholding the highest standard of work and for continuously improving our products and services. Our staff understands the importance of maintaining the highest of standards for all our clients.

Integrity: Our success depends upon building relationships based on trust and respect. ICD insists that our actions, services and products reflect our highest values and principles setting an example of ethical conduct.

Construction Chemicals

Partnering the growth of India's construction industry for more than 22 years, ICD LTD. has reached a benchmark position in delivering innovative construction products and solutions. We produce and market ground breaking, intelligent and reliable construction chemicals that make construction projects not only safer, but also stronger and environmentally viable.

We offer a wide range of products under various categories like...

- ✍ **Concrete Admixtures**
- ✍ **Water proofing**
- ✍ **Heat Proofing**
- ✍ **Crack Filling Products**
- ✍ **Grouts**

Other Services we offer under the same domain...

- ✍ We supply domain specific chemicals in bulk to the wholesalers which in turn supply these to the end-customers and buyers.
- ✍ We enter into project partnership wherein we get into strategic collaboration with organizations and assist them technically during their construction endeavor with our products.
- ✍ We also venture into contracts where we take on the complete task: whether it is an altogether new construction project or refurbishment of an existing structure.
- ✍ We ensure that the quality and the time lines are affirmed right from the initiation to completion of the work while we are executing the projects.

Painting Solutions

Understanding the need of consumer, we have developed a range of products for providing painting solutions. All our products under this category are not only made as per ISI standards but also looking forward across the globe they are made as per VOC and GSZ standards.

We offer a wide range of products for painting solutions...

- ✍ **Interior Elastomeric Paint**
- ✍ **Exterior Elastomeric Paint**
- ✍ **Interior Acrylic Paint**
- ✍ **Exterior Acrylic Paint**
- ✍ **Acrylic Wall Care Putty**
- ✍ **Acrylic Primer**

Other Services we offer under the same domain...

- ✍ We enter into project partnership wherein we get into strategic collaboration with organizations and assist them technically during their painting jobs with our products.
- ✍ We also venture into contracts where we take on the complete task whether it is an altogether new construction project or refurbishment of an existing structure.
- ✍ We ensure that the quality and the time lines are affirmed right from the initiation to completion of the work while we are executing the projects.
